Samsung ML 3712ND

Move over HP, The Samsung ML 3712ND has a dual core processor, anti-jam roller instead of a pad, and cranks at 37 pages per minute. It is network ready, duplexes, comes with a 5000 page yield toner. It's as quiet as a refrigerator, kicks out the first page in 6.5 seconds and clobbers its competitor the HP P2055. If you need a monochrome laser printer, this is the one. Sale price \$305.00 installed.

Introducing the Money Saving

TN-450 Compatible

Do you have a Brother HL-2200 series printer or the MFC-7360, 7460, 7860, DCP 7060, 7065? Now you can purchase our compatible toner for just \$42.95 and save \$30.00. We also have a compatible drum unit, the DR-420, for \$69.00 a savings of \$40.00.

As the year comes to a close our vendors are warning us of price increases on HP, IBM Infoprint, Ricoh and Lexmark name brand toners. You might want to order before year end if you use the Name Brand product or consider our compatible brands and save.

It's the holidays and I can't think of a better QUOTE to close with than one from Winston Churchill. "*We make a living by what we get, but we make a life by what we give.*"

Sincerely,

Mike Farrell
