## Scanning made affordable

Wow, the HP Scan Jet 3000 is the ticket for offices seeking a low cost solution for scanning 1000 or less pages per day. At \$399.99 with the \$50.00 rebate this device scans 20 pages per minute, has a 50 sheet auto document feeder, duplexes, and detects double feeds. It is Buyers Lab pick of the year. Offer expires 5/31/11.

## Samsung ML 3712ND

Move over HP, The Samsung ML 3712ND laser printer has a dual core processor, anti-jam roller instead of pad, and cranks at 37 pages per minute. It is network ready, duplexes, comes with a 5000 page yield toner. It's as quiet as a refrigerator, kicks out the first page in 6.5 seconds and clobbers its competitor the HP P2055. If you need a monochrome laser printer, it is a steal at \$289.00. Offer expires 6/30/2011

printers( a great value) Off-Lease copiers too! As Mikey says, try it, you'll like it!

I love quotes, our quote of the month is: " Try not to be a man of success, but rather a man of value" ( Albert Einstein) We believe a business should follow this advice as well. We always try to bring you great value.
